LICENSE TERMS

1. LICENSE.

1.1 License Grant. Upon your acceptance of the terms of this Agreement, and subject to the terms of this Agreement, Logitech grants Licensee a limited, personal, non-exclusive, non-transferable, perpetual (subject to Section 1.3) license, without rights to sublicense, to use the Software for Licensee’s internal business purposes only for the number of Instances and the capacity for which Licensee has paid the applicable fees set forth in the applicable ordering document agreed to by Licensee and Logitech or a Logitech authorized reseller (“Order”) in accordance with the Documentation and the terms and conditions of this Agreement (“License”). The License to the Software is limited to the quantities of Instances and capacity specified in each applicable Order. All rights not expressly licensed to Licensee in this Agreement are reserved by Logitech. “Instance” means a license to a single installation of the Software for use on one Server or one Virtual Machine. Multiple installations and/or concurrent use of a single license of the Software are not permitted. “Server” means a single hardware system capable of running the Software. “Virtual Machine” means a software container that can run its own operating system and execute applications like a physical machine. “Documentation” means, collectively, the operation instructions, release notes, user manuals and/or help files for the Software in electronic or written form made available by Logitech.

1.2 License Keys. Licensee acknowledges that the Software uses a license key mechanism and that use of the Software on a perpetual basis (as opposed to use for evaluation purposes) requires authorized and valid license keys (“License Keys”) that must be installed by Licensee and will be provided to Licensee upon payment in full of all applicable fees. Licensee agrees not to use unauthorized license keys or otherwise circumvent Logitech’s license key mechanism.

1.3 Evaluation License. If Licensee is licensing the Software for evaluation purposes, Licensee’s use of the Software is only permitted for the specified evaluation period (“Evaluation License”). If Logitech has not received the applicable payment for the perpetual License within the payment time period set forth in the applicable Order, Logitech will not be obligated to provide Licensee with the License Key to the Software and the Software will automatically transition into a limited function mode until and unless Licensee pays for and installs a License Key. NOTWITHSTANDING ANY OTHER PROVISION IN THIS AGREEMENT, AN EVALUATION LICENSE TO THE SOFTWARE IS PROVIDED “AS-IS” WITHOUT SUPPORT OR WARRANTY OF ANY KIND, EXPRESSED OR IMPLIED WHICH ARE HEREBY DISCLAIMED.

1.4 Additional Usage. If Licensee (a) uses additional Software applications or Software modules, (b) increase the number of Instances on which it uses the Software, (c) use the Software at a higher capacity than Licensee has paid for or (d) otherwise uses the Software in any way for which it has not paid, then Customer shall pay to Logitech or the applicable Logitech authorized reseller the applicable additional fees.
2. LIMITATIONS. Licensee acknowledges that the Software is the exclusive property of Logitech and its licensors and contains valuable trade secrets. Licensee agrees to maintain the Software in strict confidence pursuant to the terms of this Agreement. Licensee agrees that any failure by Licensee to maintain the Software in strict confidence will cause Logitech irreparable injury and thus Logitech shall be entitled to equitable relief without a need to demonstrate irreparable injury or to post a bond. Except as expressly permitted by this Agreement or by applicable law, Licensee may not (i) sell, lease, assign, license, sublicense, distribute or otherwise transfer in whole or in part the Software; (ii) permit any use of or access to the Software by any third party; (iii) operate the Software on behalf of or for the benefit of any third party, including the operation of any service that is accessed by a third party, except that, for the purposes of this Section 2(iii), Licensee may use the Software to deliver hosted services to Licensee’s Affiliates (defined below); (iv) decompile, disassemble, reverse engineer, or otherwise attempt to derive source code from the Software; (v) modify or create derivative works based upon the Software; (vi) create, develop, license, install, use, or deploy any software or services to circumvent, enable, modify or provide access, permission or rights which violate the technical restrictions in the Software; or (vii) perform any benchmark tests without Logitech’s prior written consent and or publish any results of benchmark tests run on the Software to a third party without such consent. “Affiliate” means an entity directly or indirectly controlled by, or are under common control with Licensee and “control” means an ownership, voting or similar interest representing fifty percent (50%) or more of the total interests then outstanding of the relevant entity).

3. DATA COLLECTION AND PRIVACY. Licensee agrees that Logitech may collect, use, store and transmit technical and related information about the use of the Software which may include internet protocol address, hardware identification, operating system, application software, peripheral hardware, and non-personally identifiable Software usage statistics (“Collected Data”) to facilitate the provisioning of updates, support, invoicing or online services to Licensee. Collected Data is subject to Logitech’s Privacy Policy at http://www.lifesize.com/Support/Browse_Support/Legal/Privacy_Policy.aspx.

4. MAINTENANCE. Logitech or an authorized Logitech reseller may provide Licensee with maintenance services related to the Software beyond the initial warranty period specified in Section 6.1 for an additional fee.

5. OWNERSHIP. The Software, all copies and portions thereof, and all improvements, enhancements, modifications and derivative works thereof, and all intellectual property rights therein, are and shall remain the sole and exclusive property of Logitech and its licensors. Licensee’s rights to use the Software shall be limited to those expressly granted in this Agreement and any applicable Order. No other rights with respect to the Software or any related intellectual property rights are implied. Licensee is not authorized to use (and shall not permit any third party to use) the Software or any portion thereof except as expressly authorized by this Agreement or the applicable Order.

6. WARRANTY AND DISCLAIMER

6.1 LIMITED WARRANTY. Subject to Section 1.3, Logitech warrants that the Software will substantially conform to Logitech’s published specifications for 90 days from the date of shipment to the original Licensee by Logitech or an authorized Logitech reseller (“Warranty Period”). Logitech does not provide any warranty whatsoever to any user of the Software subsequent to the original Licensee. Logitech does not warrant that the Software will be error-free or operate without interruption. Logitech or an authorized Logitech reseller will, at its own expense and as its sole obligation and Licensee’s exclusive remedy for any breach of the foregoing warranty, supply, free of charge, updates, patches, bug-fixes or replacements of the Software as necessary to correct errors or malfunctions in the Software during the Warranty Period. Any replacement Software will be warranted from the remainder of the original warranty or 30 days, whichever is longer. This warranty shall not apply to: defects other than those which result from the Software materially failing to meet Logitech’s published specifications; defects related to misuse, neglect, accident, or abuse of the Software; defects in the Software caused by or resulting from any modification of the Software; defects appearing when the Software is used in violation of this Agreement.

6.2 DISCLAIMER. LICENSEE ASSUMES ALL RESPONSIBILITIES FOR THE SELECTION OF THE SOFTWARE TO ACHIEVE THE INTENDED RESULTS AND FOR THE INSTALLATION OF, USE OF AND RESULTS OBTAINED FROM THE SOFTWARE. LOGITECH DOES NOT WARRANT THE PERFORMANCE OR THE RESULTS LICENSEE MAY OBTAIN BY USING THE SOFTWARE. EXCEPT AS EXPRESSLY SET FORTH IN SECTION 6.1, LOGITECH DISCLAIMS ALL OTHER WARRANTIES, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NONINFRINGEMENT OF THIRD PARTY RIGHTS WITH RESPECT TO SOFTWARE AND THE ACCOMPANYING WRITTEN MATERIALS. SOME STATES OR JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF EXPRESS OR IMPLIED WARRANTIES, SO THE ABOVE EXCLUSION MAY NOT APPLY TO LICENSEE. IN THAT EVENT, SUCH WARRANTIES ARE LIMITED IN DURATION TO THE WARRANTY PERIOD. NO WARRANTIES APPLY AFTER THAT PERIOD. SOME STATES OR JURISDICTIONS DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE FOREGOING LIMITATION MAY NOT APPLY TO YOU.
7. LIMITATION OF LIABILITY. Licensee assumes the entire cost of any damage resulting from the information contained in or compiled by the software. In no event will Logitech or its distributors be liable for any consequential, punitive, special, indirect or exemplary damages whatsoever including, without limitation, damages for loss of business profits, business interruption, loss of business information, costs for substitute goods or services or other pecuniary loss arising out of the use or inability to use the software, even if Logitech has been advised of the possibility of such damages. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. In no event will Logitech’s total liability to licensee for any claims, whether based in contract, tort or otherwise, exceed the amount paid by licensee for the software. This limitation will apply regardless of the failure of the essential purpose of any limited remedy. Some jurisdictions do not allow exclusion of liability or limitations on claims related to personal injury and damage to real property or tangible personal property. In such event and unless otherwise set forth on exhibit A attached hereto, Logitech shall, where permitted by applicable law, only be liable: (i) to the extent such damages are caused by its negligence; and (ii) for other actual damages up to the amount paid by licensee for the software that is the subject of the claim or that gives rise to the claim.

8. INDEMNIFICATION.

8.1 Logitech Defense of Copyright Claims. Logitech will defend Licensee against any claim by an unaffiliated third party of Licensee that the Software infringes its copyright and will pay the amount of any resulting adverse final judgment (or settlement to which Logitech consents), subject to applicable terms of this Agreement. Licensee must notify Logitech promptly in writing of the claim and give Logitech sole control over its defense or settlement. Licensee agrees to provide Logitech with reasonable assistance in defending the claim. Logitech’s obligations will not apply to the extent that any claim or adverse final judgment is based on (i) use of the Software after Logitech notifies Licensee that Licensee’s use of the Software must be discontinued due to such a claim; (ii) combining the Software with other technology including other computer software or other materials; (iii) use of, or access to, the Software by any person or entity other than Licensee as permitted herein; or (iv) an alteration of the Software by someone other than Logitech or its contractors. Licensee will reimburse Logitech for any costs or damages that result from these activities to the extent caused or resulting from the fault of Licensee, its directors, officers, employees, contractors, agents, or assignees.

8.2 Additional Remedies. If Logitech receives information concerning a copyright infringement claim, it may, at its expense and without obligation to do so, either (i) procure for Licensee the right to continue to use the allegedly infringing Software, or (ii) modify the Software to make it non-infringing, or (iii) replace it with a non infringing functional equivalent, in which case Licensee will stop using the allegedly infringing Software immediately. If however, as a result of a copyright infringement claim, use of the Software is enjoined by a court of competent jurisdiction, Logitech will use commercially reasonable efforts to either procure the right to continue its use, modify it to make it non-infringing, or replace it with a non infringing functional equivalent.

8.3 Licensee Indemnification. Licensee agrees that if Licensee engages in any misuse of the Software in a manner that causes a third party (including the government) to make a claim against Logitech as a proximate result of that action or inaction, Licensee will indemnify and hold harmless Logitech from and against any and all such losses, liabilities, damages, claims, costs and expenses (including reasonable attorney fees).

9. AUDIT. Upon written notice, Logitech shall have the right to audit the compliance of Licensee with this Agreement. Licensee shall provide full and free access to all books, records, systems, and materials requested by Logitech. In the event of discrepancies, without limiting any of Logitech’s other rights or remedies available at law or in equity, Licensee shall immediately take any and all steps necessary to comply with the terms of this Agreement, and Licensee shall immediately pay to Logitech any sums owed and Logitech’s cost of the audit.

10. TERMINATION. This license shall be automatically terminated if Licensee fails to comply with the terms and conditions of this Agreement. In such event, Licensee must destroy all copies of the Software and all of its component parts.

11. U.S. GOVERNMENT END USERS. The Software is a “Commercial Item” as that term is defined at 48 C.F.R. 2.101, consisting of “Commercial Computer Software” and “Commercial Computer Software Documentation,” and, if Licensee is a government entity or an entity licensing the Software for or on behalf of a government entity, the Software is licensed (a) only as a Commercial Item and (b) with only those rights as are granted to all other end users pursuant to the terms and conditions of this Agreement. Unpublished-rights reserved under the copyright laws of the United States.
12. **GENERAL.** Licensee agrees that it may not export or re-export the Software in violation of any applicable laws or regulations including without limitation those of the United States of America, the European Union, Switzerland and/or the laws or regulation of the jurisdiction(s) in which the Software was obtained. No waiver by either party of any default or breach of any obligation under this Agreement of the other party hereto shall operate as a waiver of any continuing or future default or breach. All notices, requests, demands, waivers and other communications required or permitted to be given under this Agreement to Logitech shall be in writing and shall be deemed to have been duly given if delivered personally or mailed, certified or registered mail with postage prepaid, to its current headquarters address as indicated on its website [www.lifesize.com](http://www.lifesize.com) (or at such other address, fax number or email address for a party as shall be specified by like notice). If Licensee is in the U.S.A., this Agreement will be exclusively governed by and construed in accordance with the laws of the United States and the State of California, without regard to or application of its choice of law rules or principles. If Licensee resides outside the U.S.A., this agreement will be exclusively governed by the laws of Switzerland. If for any reason a court of competent jurisdiction finds any provision of this Agreement, or portion thereof, to be unenforceable, that provision of this Agreement will be enforced to the maximum extent permissibility so as to effect the intent of the parties, and the remainder of this Agreement will continue in full force and effect. This Agreement may not be assigned by Licensee without Logitech’s express written consent. Logitech may assign this Agreement to any third party in its discretion. The parties agree that there are no third party beneficiaries to this Agreement, and no third party can claim any rights under or bring suit to enforce the terms of this Agreement. This Agreement constitutes the entire agreement between the parties with respect to the use of the Software and supersedes all prior or contemporaneous understandings, communications or agreements, written or oral, regarding such subject matter; except that if Licensee has licensed the Software pursuant to a mutually agreed upon signed written Agreement with Logitech, then such other Agreement will govern and take precedence over this Agreement. No amendment to or modification of this Agreement will be binding unless in writing and signed by Logitech. Any translation of this Agreement is done for local requirements and in the event of a dispute between the English and any non-English version, the English version of this agreement will govern.

**BY INSTALLING, COPYING, OR OTHERWISE USING THE SOFTWARE, LICENSEE AGREES TO BE BOUND BY THE TERMS OF THIS AGREEMENT, INCLUDING THE WARRANTY DISCLAIMERS, LIMITATIONS OF LIABILITY AND TERMINATION PROVISIONS ABOVE.**

I ACCEPT
EXHIBIT A

In the event of conflict between the terms of the Agreement and the terms of this Exhibit A, the terms of this Exhibit A shall control solely to resolve the conflict but otherwise not to supersede the terms of the Agreement. The terms of the Agreement shall remain in effect to the fullest extent permitted by law.
