

Lifesize Professional Services

Deployment Project Management

Lifesize Deployment Project Management Professional Service

While Lifesize products are easy to install, we know the setup of any new tool across a large organization requires advance planning for a smooth rollout and optimal usage. So we're here to help! The Lifesize Deployment Project Management Professional Service complements your Lifesize Enterprise Subscription Plan and provides you with expert Lifesize resources to facilitate quick implementation and high adoption rates.

WHAT'S INCLUDED?

Your dedicated Lifesize Project Manager and technical personnel will assist you with the following:

- Deployment plan and schedule
- Deployment action item management
- Firewall/proxy configuration guidance
- SSO (Single Sign-on) integration guidance
- Review of how to customize your Cloud environment
- Review of Lifesize® Icon™ configuration and customization
- Lifesize administrator onboarding
- End user training
- Messaging templates for company communication
- Pilot group coordination and training
- Review of the Lifesize Extreme Support process
- Review of video best practices
- And more!

Schedule of Services

Here's what you can expect during your eight-week service engagement:
